Which Level are you applying for:

\_\_\_\_\_ **Bronze:** Four (4) points earned in two different venues

\_\_\_\_\_ **Silver:** Seven (7) points earned in three different venues

\_\_\_\_\_ **Gold:** Twelve (12) points earned in four different venues. At least three (3) of those points must come from a 3 point title (JE, RATO, CZ8S, TD, TDU or SWN) or higher in the Hunting Group (Earth Dog, Barn Hunt, Tracking or Scent Work)

\_\_\_\_\_ **Diamond:** Eighteen (18) points. Must meet all requirements of Bronze, Silver and Gold Versatility Awards and earn a Championship in Conformation or Performance Venue in Earthdog (EE), Barn Hunt (RATCH), Scent Work (SWD), Tracking (CT), Obedience (OTCH), Rally (RACH), or Agility (MACH or PACH).

\_\_\_\_\_ **Platinum:** Twenty-Five (25) points which include points from all four (4) Groups (Conformation, Hunting, Companionship, and Agileness) And requirements of Bronze, Silver, Gold and Diamond Versatility Awards.

**Definitions:**

**Venue:** Sport or activity that earns a title, venues are shaded in gray on the Title Point Chart

**Group:** The four (4) divisions that the venues are divided into (Conformation, Hunting, Companionship, and Agileness)

**Title Point Chart:** Full page Chart you will circle highest title earned and determine point value of title

**Point Block:** Contains the titles that can be earned in that venue for the number of points on that line..

**Versatile WFT Award Point Totals Chart:** Found on the final page of this applications where you transfer the number of points earned for each title on the Title Point Chart

**Instructions: I.** Using the **Title Point Chart**, circle the highest title earned in each venue. Each title of higher participation earns more points than the lower title. Only the highest title's points gets transferred to the Versatile WFT Award Point Totals Chart.

**Example:** In the venue of Earthdog your dog has earned both their JE (Junior Earthdog) and SE (Senior Earthdog) titles. You would circle the SE title and place 6 next to Earthdog in the Versatile WFT Award Point Totals Chart.

**II.** Where multiple titles can be earned for the same point value, the first title earned is worth the given number for that title and each title earned after the original title is worth 1/2 point.

**Example:** In the venue of Obedience your dog earns the CGC (Canine Good Citizen) and later earns their CGCA (Advanced Canine Good Citizen) The CGCA is worth 1/2 point. Now your dog earns a Farm Dog Title which is in the same point block as the CGCA so you add another 1/2 point for the Farm Dog Title for a total of 1 1/2 points to be recorded on the Versatile WFT Award Point Totals Chart. When your dog earns their Beginner Novice Title, you would record 2 points and those 1 1/2 points earned below are dropped since they are included in BN Title.

III. \* Asterisk Titles are for titles that can be earned in multiples of number indicated on Total Point Chart.

**Example:** In the venue of Barn Hunt a dog can earn a RATCH (Barn Hunt Championship), if they continue to compete in Barn Hunt and earns 10 additional qualifying scores their new title is RATCHX, worth 9 points They continue to compete and earn 10 additional qualifying scores for the title of RATCHX2. The point total for Barn Hunt is 8 for RATCH (original Championship) plus 2 for RATCHX2 for a total of 10 points. A RATCHX5 would be 13 points (8 plus 5)

IV. Preferred Titles - In the venues of Obedience and Agility dogs can earn both a Regular and Preferred Title for the same level of competition, the difference being jump height and time. You may only count one title for the original point value and the second title for an additional 1/2 point.

**Example:** In the venue of Agility the dog earns a NA, NAJ, and NF which would be 4 points (3 pts for NA and 1/2 pt for NAJ and NF). The dog does not earn any Open Agility titles. Later in their agility career they go back and earn a NAP. They could add an additional 1/2 pt for this Preferred title for a total of 4 1/2 points in the venue of agility.

V. Scent Work – Individual element (Container, Interior, Exterior, Buried and Handler Discrimination) are worth ½ point each, once the Level (Novice, Advanced, Excellent, Master) is earned those ½ points at that Level are dropped and the Level (SWN, SWA, SWE, SWM) points are used. Elite titles are only recognized at the Level Title (SWNE, SWAE, SWEE, SWME). All element titles, no matter what Level count as ½ point until Level is earned.

**Example:** A dog has the following Scent Work Titles: SWN (3 pts) SHDN (1/2 pt) SCA (1/2 pt) and SCE (1/2 pt)  
For a total of 4 ½ points.

**The easiest way to complete chart is to take your latest date title certificate from AKC and circle each title listed on the 2020 Point Total Chart. Titles listed on certificate supersede any lower title. Then place the total number of points For each venue in the Table below. Be sure to include a copy of the latest title certificate with your application.**

Then place the total number of points for each venue in the Table below
